Principal's Report

Snake Tails

The whole school attended the reptile show, "Snake Tails" last week in Berridale. Every child had the opportunity to get up close and personal with one of the reptiles- some even kissed a lizard.

Fun Day

Yesterday we attended Term 4's Fun Day in Jerangle. Our students had a great time participating in the Highland games. According to the students, the highlight was the Edinborough jumping castle. An Aboriginal musician from the Kimberley's, Tjupurru, played the Dijeribone and had all students and parents captivated.

Thank you to all the parents that helped transport our students. Jerangle is a long way and your generosity is greatly appreciated!

COOBA

Jessee attended this year's transition camp at COOBA with all year 5 and 6 small school students. Anja accompanied Jessee and was very pleased to report the exemplary behaviour of Jessee and her peers. Anja was also very happy to 'rub in' the great time she had.

Snowy Ride Book Donations

On Saturday, while the P&C were busy serving food, I had a small stand where people could select a reader and donate it to the school for \$10. This stall generated \$470 or the equivalent of 58 specialised readers for our L3 Kindergarten and Year 1 Literacy program.

Grandparents Day

Our Grandparents Day will be celebrated at our school next Friday. Notes went home last week with details. Further details will be discussed early next week with our students.

Website Permission

Thank you to all families who have returned this permission note. Those families who we have not received a note from will find another one attached to this newsletter. Could this please be returned **A.S.A.P** as we are unable to upload to our school website without it? Thank you

School Improvements

This week is the last chance for parents to contribute their thoughts re/next school plan.

On the office wall are 4 posters. On these posters you have the opportunity to share your ideas and thoughts for the school.

Please write your ideas on the Post-it notes, available next to posters, and put on the corresponding season. All ideas will be seriously considered but, as I am sure you can appreciate, not all of them will be actioned in the new plan.
