Principal's Report

Grandparents Day

Our Grandparents Day was enjoyed by all who attended. Because of the very hot weather our historic walk of the village was shorter than planned. However, all students saw parts of their village they have not had the chance to appreciate.

After the walk grandparents and children made pikelets for all to share after lunch.

Next year we will hold this event again, alongside our art show or drama presentation, to allow more grandparents from away to attend.

Sydney Trip

A big thank you to the teachers, drivers and helpful parents who made this trip an outstanding success. I must not forget our students, the reason we went on this adventure - Thank you!!

There were many highlights and I'm sure you will agree we walked our legs off. You were warned-I did say you need good walking shoes, and besides, walking through the city is the best way to experience it!

Swimming Scheme

Please find the attached note regarding swimming. This program starts on Monday. We will hire the school bus to take us to the pool and return to school.

NRL

Today a representative from the Raiders NRL, Damien, came and gave our students a coaching session. He will come next Tuesday to continue what he started today.

Friday Assembly

At our assembly, 9am this Friday, students will share recounts of Sydney or some poetry they have written.

See you there.

Yours in Learning

Pamela
